

## Hess Achieves Leadership Status in CDP's Global Climate Analysis

January 23, 2019

NEW YORK--(BUSINESS WIRE)--Jan. 23, 2019-- Hess Corporation (NYSE:HES) has been recognized for climate change stewardship, achieving leadership status in CDP's 2018 Global Climate Analysis. Hess is the only U.S. energy company to achieve leadership status. This is the tenth year that Hess earned this recognition from CDP, an international nonprofit group seeking to drive sustainable economies.

Scores are based upon a company's disclosure practices and management of climate change risks. Ratings for the complete list of companies from around the world can be found at <https://www.cdp.net/en/scores>.

"CDP's rating recognizes our leadership and transparency in addressing climate-related risks and opportunities," said Alex Sagebien, Vice President, Environmental, Health and Safety. "Hess is committed to being a trusted energy partner that helps meet the world's growing energy needs in a safe, environmentally responsible, socially sensitive and profitable way."
