

## Hess Achieves CDP Climate Change Leadership Status

02/07/2024

NEW YORK--(BUSINESS WIRE)--Feb. 7, 2024-- Hess Corporation (NYSE:HES) has been recognized for climate change stewardship in CDP's Climate Change Scores for 2023, significantly outperforming the oil & gas extraction and production sector average, the overall North American regional average and the global average.

Hess has earned Leadership status for 15 consecutive years from CDP, an international nonprofit organization that runs a global environmental disclosure system. CDP scores are based on a company's climate related governance, disclosure practices and management of risks. Ratings for the complete list of companies from around the world can be found at <https://www.cdp.net/en/scores>.

"We are proud to be recognized for our industry leadership in climate related performance, disclosure and risk management," said Alex Sagebien, Vice President, Environmental, Health and Safety.
